

A Smarter Way to Offer Vision Benefits

Why Vision Matters for Your Business

Vision care is a high-value, low-cost benefit that employees understand and use. DeltaVision® is built on a partnership between Delta Dental of Washington and VSP® Vision Care. Delta Dental of Washington manages enrollment, eligibility, and billing—providing employers with a simplified, single-carrier experience—while VSP brings deep vision expertise through its provider network, claims administration, and vision customer service.

Value for Employers of All Sizes

DeltaVision is designed to fit your needs and add measurable value to your total benefits strategy—without adding administrative burden.

- **Attract & retain talent:** 78% of employees are more likely to accept a job with vision coverage.¹
- **Preventive health impact:** Eye doctors can help detect early signs of more than 270 health conditions, including diabetes and high blood pressure.²
- **Competitive savings:** Vision delivers strong employee value at a relatively low cost compared to other benefit types.
- **Easy to manage:** Single-carrier enrollment, eligibility, and billing through Delta Dental of Washington.

The Employee Experience

Your team deserve a benefits experience that is intuitive and stress-free.

- **Broad national network:** DeltaVision is offered through our partnership with VSP® Vision Care, connecting members to one of the largest networks of private practice eye care professionals and national retail providers.
- **The “One ID” advantage:** Employees can access their dental and vision benefits through the familiar MySmile portal using a single member ID.
